

Knox "Woodies"  
SAFETY CORNER

## Safety RULES

Be sure you adhere  
to safety rules in the  
**NEW YEAR and ALWAYS**

As the New Year looms, and Woodies spend more time in their sheds alone, and not observed by their fellow members keeping an eye on them,  
**DO NOT GET COMPLACENT!**

Listed below are John's 10 Rules, plus another 8 interesting topics that were detailed for Members' well being. John is taking a rest from Committee now, but his words of wisdom are REPEATED HERE and it is suggested this page be framed in your SHED for regular reminder!

July 2018: **Do it Safely or Not At All**  
 Aug 2018: **When Safety is First, YOU Last!**  
 Sept 2018: **Safety is no accident!**  
 June 2019: **Concentrate, Construct, Clean**  
 July 2019: **Complacency**  
 Aug 2019: **Safe Storage**  
 Sept 2019: **The Ripple Effect** (a followup to Sept 2018)  
 Oct 2019: **Safety for Woodturners**

1. **Think Before You Cut** - (Oct 2018)  
     **"Stop and Think"**
2. **Keep a Clean Shop** – (Nov 2018)
3. **Avoid Distractions** – (Dec 2018)
4. **Don't Rush** – (Feb 2019)
5. **Don't Force It** – (Feb 2019 as well)
6. **Protect Yourself** – (March 2019)

**Wear appropriate Personal  
Protection Equipment (PPE).**

7. **Let the Tool Stop** – (April 2019)
8. **Dust & Fumes** – (May 2019)
9. **Wear Appropriate Clothing**
10. **No Alcohol or Drugs**

**A huge THANKYOU for John Freshney's contributions  
on SAFETY topics for the last 17 months!**

***Disclaimer:*** All still photos in "Ingrained" are "posed" without safety gear, and not operating, to avoid operator distraction.

**This column repeated to ensure the message sinks in!**
